Who: We are a Christ centered homeschool cooperative, run by parents and others who want to serve.

What: River Learning Academy was created to provide families with an alternative educational choice outside of public school. Our goal is to be able to accept all families that want to be more involved in decisions and direction in their child's education. We want to support parents in continuing to teach their children. Public education is not the only choice because private school can be too expensive.

Why: The River Learning Academy is focused on sowing into our future by raising our children up in the way we want them to go. We believe we are

A PARENT RUN HOMESCHOOL COOPERATIVE THAT PROVIDES A 3-DAY A WEEK BIBLICAL WORLDVIEW CURRICULUM. WE AIM TO PROVIDE AN AFFORDABLE OPTION TO EDUCATE OUR CHILDREN AND PROVIDE SOCIAL INTERACTION.

educating our children to be the change we have been praying for in our business community and our government. You have started teaching your children by teaching them to walk, eat and speak. You can continue to teach them their first steps in reading and writing. We are here to support you!

How: We will teach you as you walk beside your child teaching. We have tools and experiences to share. You are not alone and can homeschool your child.

Sponsor; We would love to partner with you to bring more families into fellowship with us who otherwise would believe The River Learning Academy is out of their reach. Your sponsorship will bring hope and security for a brighter educational future.

Train up your child in the way he should go; even when he is old he will not depart from it.
